

APIZIRE^{SYRUP}

APPETIZER

AN EFFECTIVE APPETITE STIMULANT

INDICATIONS:

ROLE OF INGREDIENTS:

- ✓ Fenugreek is used to soothe upset stomach and digestive problems, regulate appetite and reduce fat mass. It balances cholesterol, maintains liver and kidney health and soothes muscle pain.
- ✓ Fennel contains fiber, potassium, folate, vitamin C, vitamin B-6, and phytonutrient. Fiber eases digestion.
- ✓ Ginger helps to treat chronic indigestion.
- ✓ Peppermint extract acts as a digestive aid to relieve bloating and flatulence.
