LOOSENS & CLEARS MUCUS

RELIEVES CONGESTION

SOOTHES AIRWAYS

INDICATIONS:

Sore throats

Hoarseness

Bronchitis

Allergies

Respiratory discomfort

Productive & non productive cough

Dry cough

ROLE OF INGREDIENTS:

Ivy leaf:

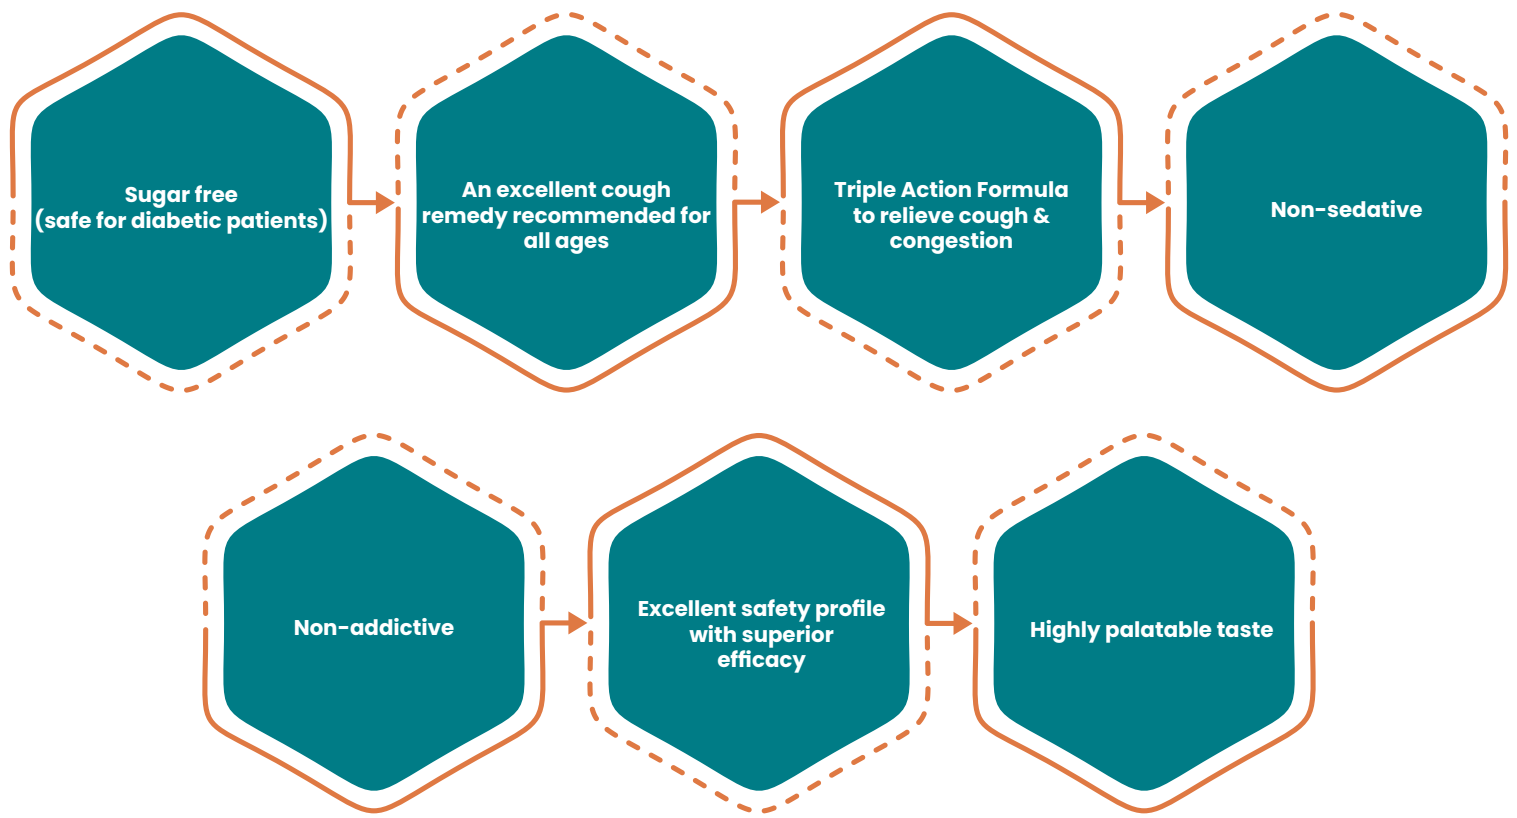

- Ivy leaf is used against chronic inflammatory bronchial conditions and productive coughs due to its actions as an expectorant. It works by both widening the bronchi (air passages) in the lungs and by stimulating the bronchial glands in the lungs to secrete a watery fluid.

Thyme:

- Thyme works as an antitussive and expectorant. It is used to prevent respiratory illnesses. It helps relieve cough as well as short-term bronchitis. Thyme contains chemicals that might help bacterial and fungal infections, and minor irritations.

Licorice:

- Licorice has a soothing effect on the throat and is antitussive in action. It helps to reduce throat irritation and dry cough. It contains isoflavones which are mainly responsible for relieving cough and helps to reduce bronchial spasm.

COMPOSITION:

Each 5 ml Contains:

- Ivy Leaf Extract (MS):
- Thyme Extract (MS):
- Licorice Extract (USP):
