B-BELLE Tablets

BONE & BEAUTY COMPLEX

INDICATIONS:

Dry skin

Wrinkles

Weak bones
and
joints

Rough
and
dull hair

Brittle
nails

Weak
immunity

ROLE OF INGREDIENTS:

BIOTIN:

- Metabolizes carbohydrates, fats and amino acids.
- Strengthens hair and nails.

VITAMIN A:

- Contributes to the normal maintenance of vision, skin and mucous membranes.
- Participates in the process of cell specialization.

CALCIUM:

- Builds bones and teeth strong and healthy.
- Facilitates nerve-to-nerve communication, stimulates muscle contraction, and activates blood-clotting factors.

COLLAGEN:

- Provides structural support to the extracellular space of connective tissues.
- Reduces the wrinkling and roughness of the skin.

B-COMPLEX:

- Helps the body produce healthy new skin cells.
- It also serves as an effective skin lightening agent.

VITAMIN C:

- Reduces dark spots, redness, and irritation and improves skin tone.
- Improves wrinkles and protects from free radicals.
