

# WELL-Z

SYRUP

For strong bones and teeth

## INDICATIONS:

**Weak bones and teeth**

**Rickets**

**Bone deformation**

**Calcium deficiency**

**Osteoporosis**

**Vitamin D3 deficiency**

## ROLE OF INGREDIENTS:

### Calcium Carbonate:

- Acts as an antacid to relieve heartburn, acid indigestion, and upset stomach.
- Critical for maintaining strong bone density and supporting nerve and muscle function.
- Supports the development and preservation of bone mass to prevent fractures associated with osteoporosis

### Magnesium sulfate:

- Contributes to increased bone density and helps prevent the onset of osteoporosis.
- Helps muscles and nerves function properly
- Helps regulate bone-building nutrients like calcium and phosphorus.

### Zinc sulfate:

- Promotes bone regeneration & bone growth.
- Provides a stimulatory effect on osteoblastic bone formation and mineralization.
- Plays an important role in the development and function of immune cells.

### Vitamin D3:

- Essential for calcium absorption and bone mineralization.
- Essential to help prevent thinning of the bones, especially in arthritis & osteoporosis.
- Decreases bone turnover and increases bone mineral density.

**Bone builder & immune booster**

**Maximizes calcium absorption with Vitamin D3 & Magnesium**

**Exhibits antacid property with Calcium carbonate**

**Comprehensive micronutrient formula for bone health**

**Supports bone health, density and skeletal nutrition**

## COMPOSITION:

Each 10 ml contains:

- Calcium carbonate (USP) :.....300 mg
- Magnesium sulphate (U.S.P):.....150 mg
- Zinc Sulphate (U.S.P):.....10 mg
- Vitamin D3 (U.S.P):.....400 I.U

## DOSAGE:

**For children:**

- 1 teaspoon 2 times a day or as directed by the physician.

**For adults:**

- 2 teaspoons 2 times a day or as directed by the physician.

## PRESENTATION:

- Available in 120 ml Amber Pet Bottle Syrup Pack.
